Resolutions.

WHEREAS, The Great and Supreme Ruler of the universe has in his infinite wisdom removed from among us one of our worthy and esteemed fellow workers, Daniel A. Derocher, member of Green Mountain Lodge No. 484, B. R. C. of A., and whereas the long and intimate relation held with him in the faithful discharge of his duties in the Society makes it eminently befitting that we record our appreciation of him therefore:—

RESOLVED, That the wisdom and ability which he exercised in the aid of our Brotherhood by service contributions and counsel will be held in grateful remembrance.

RESOLVED, That the sudden removal of such a life from among our midst leaves a vacancy and a shadow that will be greatly realized by all the members and friends of this Brotherhood; and will prove a serious loss to the community and public.

RESOLVED, That with deep sympathy with the bereaved relatives of the deceased, we express our hope that even so great a loss to us all may be overruled for good by Him who doeth all things well.

RESOLVED, That the charter under which this Lodge exists be draped in mourning for a period of thirty days.

RESOLVED, That a copy of these resolutions be spread upon the records of this Brotherhood, a copy printed in the local paper, and a copy forwarded to the bereaved family.

L. F. JONES, DRY GOODS

Our observant citizen would like to know who the young lady was that came down street and left the cake in the oven to burn one day last week. Not that he wants any of the cake, but his curiosity is aroused, being a single man.

The opening of the opera house hall last Monday was a great success under the management of W. H. Kane, there being 325 present for the pictures and about 30 couples for the dance, which was held after the show. It is the intention of Mr. Kane to give high class entertainments every Monday, Tuesday, Friday and Saturday night.

The show at the Opera House Monday and Tuesday nights promises to be very good. "Hearts that are Human," a powerful story of love and intrigue in three parts, "Their Happy Honey-Moon," a good comedy with Eddie Lyons and Lee Moran, and the famous Universal star, King Baggot, in a comedy drama, "His Home Coming." Dancing after the show Monday evening.

How Two Men Cured LaGrippe

"Last winter I suffered with a terrible cold and a case of la grippe," writes E. C. Rhodes of Middleton, Ga. "When getting well of la grippe I still had a hacking cough and for several months could get no relief. Finally I began taking Foley's Honey and Tar and soon I was well of both cough and cold and it never returned."

F. G. Prevost, Bedford, Ind., writes: "After having an attack of la grippe it left me with a severe cough. I tried everything. I lost in weight and got so thin it looked as though I would never get well. I tried Foley's Honey and Tar Compound and two bottles cured me. I am now well and back to normal weight."

Foley's Honey and Tar Compound is a healing family remedy and seldom fails to relieve coughs, colds, croup, whooping cough, raw and inflamed throat, tight and sore chest, irritated tickling throat and bronchial coughs.
